Program Name	Brief Program Description	Amount (\$)	Cash, In-Kind, or Both1	1-time or Ongoing2	Who is Served3	Program Initiator4	Partners
<i>Community Programs</i>							
Children's Wellness Initiative	Ongoing program that provides school-based mental health counseling and psychiatry services, combined with outreach, education, and prevention in 5 Boston Public Schools. The goal is to increase access to mental health services for families who would not be able to travel to Franciscan Children's for services, as well as build connections between schools and families and de-stigmatize accessing mental health services. The need for more school-based mental health services was identified in our 2015 Community Health Needs Assessment.	\$130,450	In-Kind	Ongoing - year-round program	Greater Boston students	Franciscan Children's	Boston Public Schools
Adaptive Baseball/Soccer Camp	A week-long summer camp operated by Franciscan Children's that provides children in the community with special needs the opportunity to participate in sports and active recreation in a fun and safe environment. This program meets a need identified in our 2015 Community Needs Assessment for more programming for those with special health care needs.	\$39,000	In-Kind	Ongoing, annually	Greater Boston families	Franciscan Children's	Northeastern University, MGH Institute of Health Professions, and Simmons College

Adaptive Bike Camp	A week-long summer camp operated by Franciscan Children's providing children in the community with special needs the opportunity to participate in sports and active recreation in a fun and safe environment. This program meets a need identified in our 2015 Community Needs Assessment for more programming for those with special health care needs.	\$39,000	In-Kind	Ongoing, annually	Greater Boston families	Franciscan Children's	Northeastern University, MGH Institute of Health Professions, and Simmons College
Adaptive Skating Camp	A 10-week program, running from September through December, operated by Franciscan Children's providing children in the community with special needs the opportunity to participate in ice skating and hockey in a fun and safe environment. This program meets a need identified in our 2015 Community Needs Assessment for more programming for those with special health care needs.	\$39,000	In-Kind	Ongoing, annually	Greater Boston families	Franciscan Children's	Northeastern University, MGH Institute of Health Professions, and Simmons College
Sibling Support Program	This support group program works with the siblings and parents of children hospitalized for severe emotional disturbance. This program meets a need identified in our 2015 Community Needs Assessment for more support for families with children who have mental illness.	\$35,000	In-Kind	Ongoing throughout FY17	Boston families and siblings	Franciscan Children's	
<i>Franciscan Children's Hosting Community Events</i>							

W.A.T.C.H. (World Against Toys Causing Harm) Press Conference	Press Conference held at Franciscan Children's to provide education and information about potentially harmless and dangerous toys on the market and how to keep children safe.	\$380	In-Kind	Ongoing, bi-annually	Greater Boston community	Franciscan Children's Pediatrics Department	W.A.T.C.H group
Car Seat Safety Event	A community event held at Franciscan Children's free to the public where certified car seat technicians can check car seats for proper use, installation and fit, help install new car seats, and educate parents and families about proper car seat safety. Car seats are provided to families in need if their car seat is broken or they do not have one.	\$160	In-Kind	Ongoing, annually	Allston-Brighton community, greater Boston community	Franciscan Children's Child Life Department	
Youth Mental Health First Aid Training	Mental health first aid teaches skills needed to reach out and provide initial help and support to a youth who may be developing a problem or experiencing a crisis. Reacting to the burgeoning pediatric mental health epidemic referenced in our last Community Health Needs Assessment, Franciscan Children's held a training on-site in FY17 for the Greater Boston community, families, and mental health professionals.	\$435	In-Kind	1-time	Greater Boston community, families, professionals	Franciscan Children's	Mental Health First Aid USA

Speak for Yourself Workshop	A workshop held by Franciscan's speech-language pathology department that highlighted several adaptive and augmentative communication strategies and technology, as well as provided information and resources for parents of children with complex communication needs.	\$110	In-Kind	1-time	Greater Boston families and professionals	Franciscan Children's Speech-Language Pathology	Boston Public Schools
Resources Exposed Workshop	A workshop designed to help attendees navigate the complexity of Supplemental Security Income (SSI) and the Public Benefits System.	\$215	In-Kind	1-time	Social workers, case managers, and hospital financial planners who work with families in need of services	Franciscan Children's	Massachusetts Department of Public Health, Division for Children & Youth with Special Health Needs
Maximizing MassHealth Workshop	Franciscan Children's partnered with the University of Massachusetts Medical School's Center for Healthcare Financing to host an educational workshop focused on how to maximize MassHealth benefits to better serve children and youth with complex care needs.	\$215	In-Kind	1-time	Professionals serving Massachusetts patients	Franciscan Children's	UMass Medical School's Center for Health Care Financing
<i>Franciscan Children's Supporting Community Events</i>							
Oak Square Farmer's Market	A seasonal outdoor market offering local produce, specialty foods, and crafts to residents of Oak Square and beyond. Franciscan Children's provided information on our outpatient services and the importance of healthy lifestyles for families.	\$380	In-Kind	1-time	Allston-Brighton community residents and families	Allston-Brighton Health Collaborative	

YMCA Oak Square Healthy Kids Day	An annual event that inspires parents and kids to stay moving and learning all summer long, with fun and free activities that promote the health and wellbeing of children and families. Franciscan Children's provided information to the community on healthy lifestyles and our pediatrics clinic where families can take their children for physicals.	\$215	In-Kind	Ongoing, annually	Allston-Brighton community, greater Boston community	YMCA	
National Alliance for Mental Illness (NAMI) Walks	Franciscan Children's provided information on the prevalence of mental health and the organization's mental health programming by exhibiting and participating in an annual walk dedicated to raising awareness and funds for the National Alliance on Mental Illness (NAMI).	\$215	In-Kind	Ongoing, annually	Massachusetts families and professionals	NAMI
